For immediate release

20th April 2017

Cello Air Finance CEO To Speak at Corporate Jet Investor Dubai.

Michael Davies, **Cello Air Finance's** CEO, will be one of the invited speakers at Corporate Jet Investor conference in Dubai this month. Michael will be on the select panel, moderated by Oliver Tebbit from Watson Farley & Williams to discuss the current global market for aircraft financing and leasing.

Now in it's second year, the flagship event, held on Tuesday 25th April 17 at Dubai's prestigious Ritz Carlton Hotel, brings together 150 senior level business aviation professionals to discuss the latest market development, opportunities and threats and strategies for success in the key market.

Cello Air Finance Ltd

Cello Air Finance is the operating leasing company within the Gill Group of the UK based in London. Cello provides operating lease solutions for business aircraft operators along with consultancy and advisory services to the business aviation industry.

The Gill Group

The Gill Group of the UK is a multi-million pound corporation, comprising 9 companies with offices in the UK and UAE. The Gill Group has a specific philosophy and integrity that comes from being a family run organisation. The Gill Group unites a diverse portfolio of businesses through one simple strategy – to 'deliver excellence' in the most demanding of environments and for the most discerning of clients.

Alongside a bespoke chartered aviation business, the Gill Group also offer high-end construction plant hire, the provision of quality raw and processed materials to major contractors, SME's and the public alike, and the supply of committed, skilled and dependable personnel.
